

ART 4 INTERIOR

Interior designer and conceptual artist Oksana Butman has just opened a new Moscow gallery dedicated to art for interiors. The artist, whose work has been exhibited at the Moscow Museum of Modern Art Gallery, set up Gallery Art4Interior showing work from Trowbridge Gallery as well as original works by Russian artists. The gallery can be found at: Moscow, Big Savinsky per. 12. p.16 (Art Center on Savinskaya near KADO), www.art4interior.ru

PIB HOME

Specialising in an extensive range of both stylish and high-quality items in Vintage Scandinavian, Boho and Industrial styles, PIB offers storage solutions and pieces that complement each other with ease so that decorating is no longer a chore.

VITA COPENHAGEN

Simple and elegant, the VITA Copenhagen acorn is now available in white as well as polished steel, brass or copper kernel. This stylish nature-inspired pendant light is a modest and clean design which looks great as a single item or in groups for more of a statement piece. www.vitacopenhagen.com
